Information on the registration of school beginners for the school year 2023/2024

Special profile of Bach Primary School:

Open start

voluntary participation in offers such as workshop, sports, games, breakfast, library

Cross-grade learning

joint learning of first and second graders, open forms of teaching

Actual individual support

own work schedules, learn at your own pace without over-/under-demanding

Learning time instead of homework

a lot of learning and practice time with the class teacher

High staffing

double staffing in the classroom

Fixed rules and structures

Respectful interaction with each other

Diversity in action

recognition of strengths, talents, cultures

Our strengths

- Respectful and appreciative school climate/educational concept/school social work
- Alignment of work with the needs of children
- Concepts with a controlling effect
- Networked collaboration as part of the open all-day
- Committed and multi-professional cooperation/exemplary working atmosphere
- Responsible behaviour of the headmistress
